**§ 60-741.60 Compliance evaluations.**

(a) OFCCP may conduct compliance evaluations to determine if the contractor maintains nondiscriminatory hiring and employment practices and is taking affirmative action to ensure that applicants are employed and that employees are placed, trained, upgraded, promoted, and otherwise treated in accordance with this part during employment. A compliance evaluation may consist of any one or any combination of the following investigative procedures:

(1) *Compliance review.* A comprehensive analysis and evaluation of the hiring and employment practices of the contractor, the written affirmative action program, and the results of the affirmative action efforts undertaken by the contractor. A compliance review may proceed in three stages:

(i) A desk audit of the written affirmative action program and supporting documentation to determine whether all elements required by the regulations in this part are included, whether the affirmative action program meets agency standards of reasonableness, and whether the affirmative action program and supporting documentation satisfy agency standards of acceptability. The desk audit is conducted at OFCCP offices;

(ii) An on-site review, conducted at the contractor's establishment to investigate unresolved problem areas identified in the affirmative action program and supporting documentation during the desk audit, to verify that the contractor has implemented the affirmative action program and has complied with those regulatory obligations not required to be included in the affirmative action program, and to examine potential instances or issues of discrimination. An on-site review normally will involve an examination of the contractor's personnel and employment policies, inspection and copying of documents related to employment actions, and interviews with employees, supervisors, managers, hiring officials; and

(iii) Where necessary, an off-site analysis of information supplied by the

contractor or otherwise gathered during or pursuant to the on-site review;

(2) *Off-site review of records.* An analysis and evaluation of the affirmative action program (or any part thereof) and supporting documentation, and other documents related to the contractor's personnel policies and employment actions that may be relevant to a determination of whether the contractor has complied with the requirements of Section 503 of the Rehabilitation Act of 1973 and regulations;

(3) *Compliance check.* A determination of whether the contractor has maintained records consistent with § 60-741.80; at the contractor's option the documents may be provided either on-site or off-site; or

(4) *Focused review.* An on-site review restricted to one or more components of the contractor's organization or one or more aspects of the contractor's employment practices.

(b) Where deficiencies are found to exist, reasonable efforts shall be made to secure compliance through conciliation and persuasion pursuant to § 60-741.62.
